QUESTIONNAIRE FOR PARTNERS OF THE PREVIOUS DAFNE PROJECTS

COUNTRY: Grecia, Lithuania, Spagna, Germania, Belgio

ORGANISATION OF MEMBERSHIP:

- ARSIS Association for the social support of youth,
- Social Innovation Fund,
- Departamento de Sociología y Analisis de las Organizaciones – Universidad de Barcelona,
- Sozialdienst Katholischer Frauen E.V. Hameln and Hildesheim.

1. In the light of the experience developed through participation in previous "DAFNE" projects, do you consider recourse to family mediation to be a useful instrument for families with problems?

2. Do you think that in the last few years a "culture" of family mediation has developed in your country as a form of prevention and/or management of conflicts within and outside the family environment? What are its most significant aspects and services?

3. Do you think that the Dafne projects undertaken together with us have fostered this "culture" or these services?

4. In your country, are there any particularly important services or good practices, activated by subjects both public and/or private, aimed at supporting parents beyond their family conflicts?

5. In cases of separation caused by an event such as the emigration of a parent, do you think that family mediation can help families and minors?

QUESTIONNAIRE FOR THE NEW PARTNERS

COUNTRY: Latvia, Slovenija, Bulgaria, Slovacchia, Romania

ORGANISATION OF APPURTENANCE:

1. Do you consider that in your country there are experiences assimilable to family mediation (even if not formally recognised as such) which constitute an important means of support for families in difficulty? Could you describe these?

2.Are you aware of any family mediators and/or family mediation centres in your country?

3.What training do family mediators have in your country? Do you consider this as being adequate?

4.What were the considerations that prompted you to participate in the Two Minds family mediation project ?

5.Do you think that it is possible through the Two Minds project to create a network with other organisations operating in other European Union member countries, so as to be able to develop common projects and forms of intervention?
